

Position Summary:

The Cloud, Republic & Washington Parents As Teachers program is currently looking to hire a Parent Educator for 40 hours per week or 2 part-time Parent Educators. This Parent Educator would provide services to families in Washington, Clifton-Clyde and Republic County school districts in Kansas. Parent Educators provide a comprehensive home visitation program implementing the Parents as Teachers evidence-based model for expecting parents and families with children 0-PreK entry. This position will remain open until filled. For questions about this position or to express your interest, please send a resume to parentsasteachers@usd333.com. The applicant will also need to complete the application process through USD 333's online employment tab.

Essential functions:

- Serves the number of families determined by program guidelines including successful completion of face-to-face visits and group meetings.
- Conducts home visits at times that are convenient for the family, which may include evenings or weekends in the Washington, Republic & Cloud county area.
- Provides parent education through personal visits implementing the Parents As Teachers Foundational Curriculum demonstrating fidelity to the model.
- Provides case management at a level of intensity that meets the specific needs of each family.
- Provides parenting/life skills guidance that meets the needs of each family.
- Collects child health and developmental information; determines other screenings which may be required.
- In partnership with families, conducts developmental, hearing, and vision screenings. Supports families in seeking appropriate resources based on the results of screenings when needed.
- Assesses family strengths and resources, including informal support system.

Minimum Qualifications:

- Bachelor's degree in Early Childhood, Family Studies or related field of study from an accredited college or university. An Associate's degree in Early Childhood or related field would be considered.
- Minimum 1 year experience working in an environment with children.
- Successfully receive certification as a parent educator through Parents As Teachers National Center.
- Attend trainings designated by the program at the local, state and national level.
- Maintain current certification as a parent educator by completing the required professional development hours for years of service.
- Possess a valid driver's license and a vehicle.
- Must be computer literate with good communication and organizational skills.
