

DIESEL TECHNOLOGY INSTRUCTOR

LOCATION: BELOIT

North Central Kansas Technical College is seeking an instructor for the **Diesel Technology** program on the Beloit Campus. Duties include providing state of the art instruction, maintaining a safe and orderly learning environment and securing positive business and industry relationships.

Required qualifications include a desire to teach students, thorough knowledge of Diesel Technology and the corresponding industries, and experience in the field.

Position will begin August 2022. Pay commensurate with qualifications, plus fringe benefits. Applications will be accepted until a qualified applicant is selected.

Benefits include:

- Medical, vision, dental, health and dependent care savings account
- KPERS retirement plan and KPERS 457 plan
- Corporate rate Wellness Center membership
- Excellent vacation, sick and holiday leave plan
- Yearly college clothing allowance

Applicants shall include a cover letter, resume, unofficial transcripts, and contact information for three professional references. Applicants must apply online at <https://ncktc.edu/job-opportunities/>. Questions should be directed to Lois Hanel, Search Liaison, at lhanel@ncktc.edu or call 785-738-9060. Position open until filled.

If you do not have a resume and would like to fill out an application, please click [here](#) to fill out the application to use to apply online.
